## List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

# Program Requirements

## THIS PAGE INCLUDES:

- >> [Admissions](#)
- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Junior year

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

- Yes  
 No

3. Provide a link to your website where additional information about admissions requirements can be found:

<https://txwes.edu/academics/school-of-education/undergraduate-education/>

4. Please provide any additional information about or exceptions to the admissions information provided above:

Candidates must have a minimum 2.5 overall GPA and a minimum of 36 credit hours posted to their transcript. EC-6 candidates must have a minimum of 6 hours in each of the five content areas (English, Math, Science, Social Studies & Fine Arts/Health & PE). Grades 4-8 and 7-12 Math and Science candidates must have a minimum of 15 semester hours specific to their area of study. All other grades 4-8, 7-12 and all level (EC-12) candidates must have a minimum of 12 hours of content specific coursework. Conditional admission applies only to Teach for America candidates.

## Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. ([§205\(a\)\(1\)\(C\)\(i\)](#))

1. Are there initial teacher certification programs at the undergraduate level?

6. Please provide any additional information about the information provided above:

Our post-baccalaureate program for initial certification is limited to Texas Wesleyan graduates who completed Teacher Education Program admission

requirements during their undergraduate program or Teach for America (TFA) candidates. During the 16-17 academic year we entered an agreement with TFA to provide four classes and provide supervision for teacher candidates during their internship year. GPAs above are TFA candidates only.

## Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2016-17. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

[Additional guidance on reporting supervised clinical experience and nonclinical coursework.](#)

Average number of clock hours of supervised clinical experience required prior to student teaching	55
Average number of clock hours required for student teaching	560
Average number of clock hours required for mentoring/induction support	16
Number of full-time equivalent faculty supervising clinical experience during this academic year	3
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	8
Number of students in supervised clinical experience during this academic year	75

Please provide any additional information about or descriptions of the supervised clinical experiences:

We use the co-teaching model for clinical teaching. Students, University supervisors and mentors are trained to use the co-teaching model and the State T-TESS model for new teacher evaluation. Of the 75 teacher candidates 38 of them were traditional undergraduate students with the remaining 37 being TFA post graduate candidates.

# Enrollment

THIS PAGE INCLUDES:

>> [Enrollment](#)

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

## Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. ## Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

## Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2016-17. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

## Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2016-17. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. [\(\\$205\(b\)\(1\)\(H\)\)](#)

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

## Program Completers

On this page, enter the total number of individuals who completed the program in AY 2016-17 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

2014-15	<input type="text" value="45"/>

# Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

## Assurances

Please certify that your institution is in compliance with the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#), [§206\(b\)](#)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes
- No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes
- No
- Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
- No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
- No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
- No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
- No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

Financial aid package for low socio-economic students. Collaboration with local school districts. Implemented a dual enrollment program. Input from an Education Advisory Committee which includes school district personnel (teachers, administrators, HR), recent graduates of our programs and community representatives. Continuous review of our program using data collection, review of State requirements and student feedback.

## Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. **(§205(a)(1)(B))**

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

1. Is your teacher preparation program currently approved or accredited?

- Yes  
 No

If yes, please specify the organization(s) that approved or accredited your program:

- State  
 NCATE  
 TEAC  
 CAEP  
 Other specify:

SACS

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- Yes  
 No

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

## Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes  
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes  
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes  
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes  
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

We provide coursework specific to instructional technology with assignments for teaching with technology and assessing student progress/needs with data collected using technology. Technology use and instruction is integrated in all courses.

## Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.  [\(§205\(a\)\(1\)\(G\)\)](#)

1. Does your program prepare general education teachers to:

a. teach students with disabilities effectively

- Yes  
 No

b. participate as a member of individualized education program teams

- Yes  
 No

c. teach students who are limited English proficient effectively

- Yes  
 No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

We offer coursework designed with instructional methods and strategies for teaching students with exceptionalities and students with limited English proficiency. Field experiences are required.

3. Does your program prepare special education teachers to:

a. teach students with disabilities effectively

- Yes  
 No  
 Program does not prepare special education teachers

b. participate as a member of individualized education program teams

- Yes  
 No

Program does not prepare special education teachers

c. teach students who are limited English proficient effectively

## Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Texas Wesleyan University's School of Education provides degree programs leading to teacher certification in Core Subjects EC-6 with ESL Certification, EC-6 Bilingual, Secondary (English, History, Mathematics, Life Science) and All Level (Music, Spanish). We are currently pursuing TEA approval to add EC-12 Physical Education and Secondary Social Studies programs. We are working with our Science Department to develop a degree plan that would allow us to reinstate our Composite Science certification program. We have offered elementary Bilingual certification since 1968. Approximately 20 to 30 EC-6 Bilingual teachers were certified each year until 2013. That number was greatly reduced due to the expiration of a grant for Bilingual certification. However, we have recently been awarded a new grant for our bilingual program. We offer a 5th-year option for our programs that provides our undergraduate teacher candidates the opportunity to obtain a Master's degree. Most students in the teacher certification programs are first-generation college students who transfer from area community colleges such as Tarrant County (TCCD), Dallas (DCCD), Hill, and Weatherford Community Colleges. We recently partnered with Teach for America (TFA) to offer an alternative program for initial teacher certification. The TFA program recruits high performing candidates from colleges and universities across the country. At the graduate level, Texas Wesleyan University offers programs leading to certification in School Administration, Reading Specialist, Gifted and Talented and School Counseling.
