This guide will address the following tasks for using Turnitin with Blackboard:

1. Create a Turnitin assignment in Blackboard.
2. View submissions to a Turnitin assignment in Blackboard.
3. Grade a Turnitin assignment in Blackboard.

Detailed Instructions

1 **Create a Turnitin assignment in Blackboard.**

a. Navigate to your course in Blackboard and click **Course Content** (Fig. 1).
b. Click the **Add Content Link** button and select the **Turnitin Assignment** link. Click **Create Turnitin Assignment** (Fig. 2).
c. Type a title for the assignment and click **Create Turnitin Assignment**.
d. Assign a point value, a start date, a due date, and a post date for the assignment. Select any additional desired options for the assignment.
e. Click **Submit** to create the assignment.
